

Emergency Response

FOOD DRIVE to Covid – 19 Isolation!

SeniorCare Experts is stepping up to
reinstate our Food Drive in response
to crisis affecting homebound seniors.

SeniorCare Experts is at the forefront of getting calls from both caregivers and seniors. We need **YOUR** help! We are now collecting items for our clients (*and others as supplies remain*) to allow them to remain safe at home until officials declare the virus danger exhausted.

All donations are carefully screened for expiration dates
and will be handled with gloves when being boxed.

With volunteer help, we will redistribute these donations at no cost to seniors! Please let us know if **you** can help drop off a box on a senior's doorstep or porch. NO direct hand-off or entering a dwelling is allowed.

Also, while saving by eating at home and curtailing your travel, please consider sharing your savings with SeniorCare Experts as we support struggling seniors! Every donation matters!

Drop off Location/Time

8:30-5:00 M-F

145 Thierman Lane 40207

896-2316

www.srcareexperts.org
