Helping Seniors Live Independently

It's Giving Tuesday

Your Support is Greatly Appreciated

At a time when we are all experiencing the pandemic, generosity is what brings people of all races, faiths, and political view together across the globe. Generosity gives everyone the power to make a positive change in the lives of others and is a fundamental value anyone can act on.

*Giving Tuesday is a way for you to support seniors
in our community!*

During the COVID-19 crisis, SeniorCare Experts has remained open to serve our oldest generation. We have continued to deliver chef prepared meals Monday through Friday. As people are isolated at home, there has been an increased need for Personal Emergency Medical Alerts and Medication Dispensers.

We initiated a drive for nonperishable food, paper products and toiletries. Adults that can not get out for supplies, SeniorCare Experts is taking boxes of necessities to those in need. 211, Dare to Care and other communities partners refer individuals to SeniorCare Experts as we continue to deliver in times of need. These individuals do not have to be one of our clients. If they need help, we are happy to help!

Please join us today in supporting our efforts to help seniors in our community as well as individuals affected by Stroke, MS, Parkinson's and more. *#GivingTuesdayNow* is a great way to show you care!

Thank you again to all our volunteers!
