Whole Foods/Meals on Wheels Fundraiser

On Thursday, October 17th, Whole Foods Market on Shelbyville Road hosted SeniorCare Experts (as a member of Meals on Wheels America) to raise awareness for the needs of those receiving meals through local nonprofits. Whole Foods donated 5% of the net proceeds of the entire day to the effort to be split between three local charities – including SeniorCare Experts! SCE is very,

very grateful for this new partnership and support of our program! If you are in Whole Foods please take a moment to relay your appreciation as well.

SeniorCare Experts raised over \$4,100!!!
