Helping Seniors Live Independently

Thank You!!

Our sincere apologies, it was brought to our attention that due to a glitch in the database, some of the names were left off the list of SCE volunteers and those who have stepped up during the COVID-19 pandemic. Again we sincerely apologize that we missed some of you in the original list. We greatly appreciate and thank you for all that you do day in and day out for our clients and other seniors in our community. We could not do this without you!
