Helping Seniors Live Independently

Thank You!!

As Coronavirus, COVID-19 has caused concern and fear for all of us, SeniorCare Experts has kept our doors open to serve our clients and then some. We are delivering meals, sending emergency medical alerts into homes, continuing nonmedical homecare and delivering free food to those in need. Seniors are isolated and they need our help! SeniorCare Experts would like to thank everyone for your support, patience, and kindness throughout this crazy time.

If you would like to help make a difference in the lives of senior adults in our community please click the link below and consider making a donation to SeniorCare Experts. We are all in this together!

2020/COVID-19 SCE Volunteers

SeniorCare Experts staff would like to say a special thank you to all of our Meals Program and COVID-19 Food Drive volunteers. They have not skipped a beat delivering meals and food boxes to our clients, as well as any home bound senior that can not get out to pick up supplies. SeniorCare Experts could not do this without them!
